PROJECT(S)

SAMPLE WEB PAGE

HTML | CSS | JAVASCRIPT | [VS Code]

I Designed a Personal Portfolio Web Page as a Task given by EDX education platform by IBM to complete the Web Development course and to get certified.

NERCHUKO BROO

HTML | CSS | JAVASCRIPT | [VS Code] | GITHUB

I Designed a Web Page "NERCHUKO BRO" The web page provides the data of free online courses, internships and coding practice platforms. It makes very easy for the students to learning and searching for the courses. It saves a lot of Time..

MY PORTFOLIO WEB PAGE

HTML | CSS | JAVASCRIPT | [VS Code] | GITHUB

I Designed my personal PORTFOLIO which introduces about my Myself , Skills , Projects and other personal information.

ACHIEVEMENTS

ASSEMBLE THE JUMBLED [WINNER]

It is a CIRCUIT DEBUGGING Contest conducted by our college on 3rd of March 2023. Achieved 1st Prize and Certificate.
